## RECOMMENDATION LETTER

This letter is issued to state that TEAM SERVICE Romania SRL was from April 2012 until now under a contract with UNDP Romania for the ESF projects where our organisation is partner, to provide professional cleaning services.

The collaboration with TEAM SERVICE Romania SRL was succesful. Mr. Calin Pop, the administrator of the company, is a very prompt, reliable and professional person and the interaction with him was efficient during all this time.

Therefore, it is a pleasure for us to recommend TEAM SERVICE Romania for any co-operation for professional cleaning services.
